

# PARTNERSHIP MENART FAIR - INSTITUTION OF ISLAMIC CULTURES

**Guided tours of the exhibition «ZONE FRANCHE»**  
29th of May 11 am - 19 rue Léon, 75018 Paris

As part of its VIP program, MENART FAIR offers a visit to the exhibition **«Zone franche»** at the Institute of Islamic Cultures.

MENART FAIR VIPs will be able to visit the exhibition freely in exchange for presenting their VIP invitation. This invitation also entitles them to two «Afros», a utopian and pan-African currency by the artist Mansour Ciss that circulates at the Institute of Islamic Cultures.

**«Zone franche»** is a collective adventure, the result of a meeting between three artistic structures located in Cameroon, Morocco and France, driven by the same desire to interact with the urban ecosystems that saw their birth.

The exhibition explores the movement of travelers, goods and imaginary beyond material or invisible limits.
