MENART FAIR

Share   

27 May - 30 May 21

After ten years of success of Beirut Art Fair in Lebanon, Laure d'Hauteville launches MENART FAIR, with the participation of Joanna Chevalier as artistic director. MENART FAIR is the first international modern and contemporary art fair, dedicated to artists from the Middle East & North Africa, selected by must-see galleries. For this first edition, some twenty international galleries are gathered for four days in the private mansion of the Cornette de Saint Cyr auction house, in Paris 8th district. The South and East Mediterranean, the Levant and the Near East are represented here by MENART FAIR, with artists from Morocco, Algeria, Tunisia, Egypt, Syria, Lebanon, Palestine, Israel, Jordan, Iraq, Iran, Saudi Arabia, Qatar, the United Arab Emirates, and Yemen. At the crossroads of Eastern and Western codes, a singular creative syntax is taking shape before our eyes, conveyed in a potentially global way : it's a generational fact, amplified by this technological groundswell that now connects all points of the planet in the moment.
